I'm 20 years old, quite the tease, and in love with fruit. You only live once, so why not show off what ya momma gave ya? That's why I model.

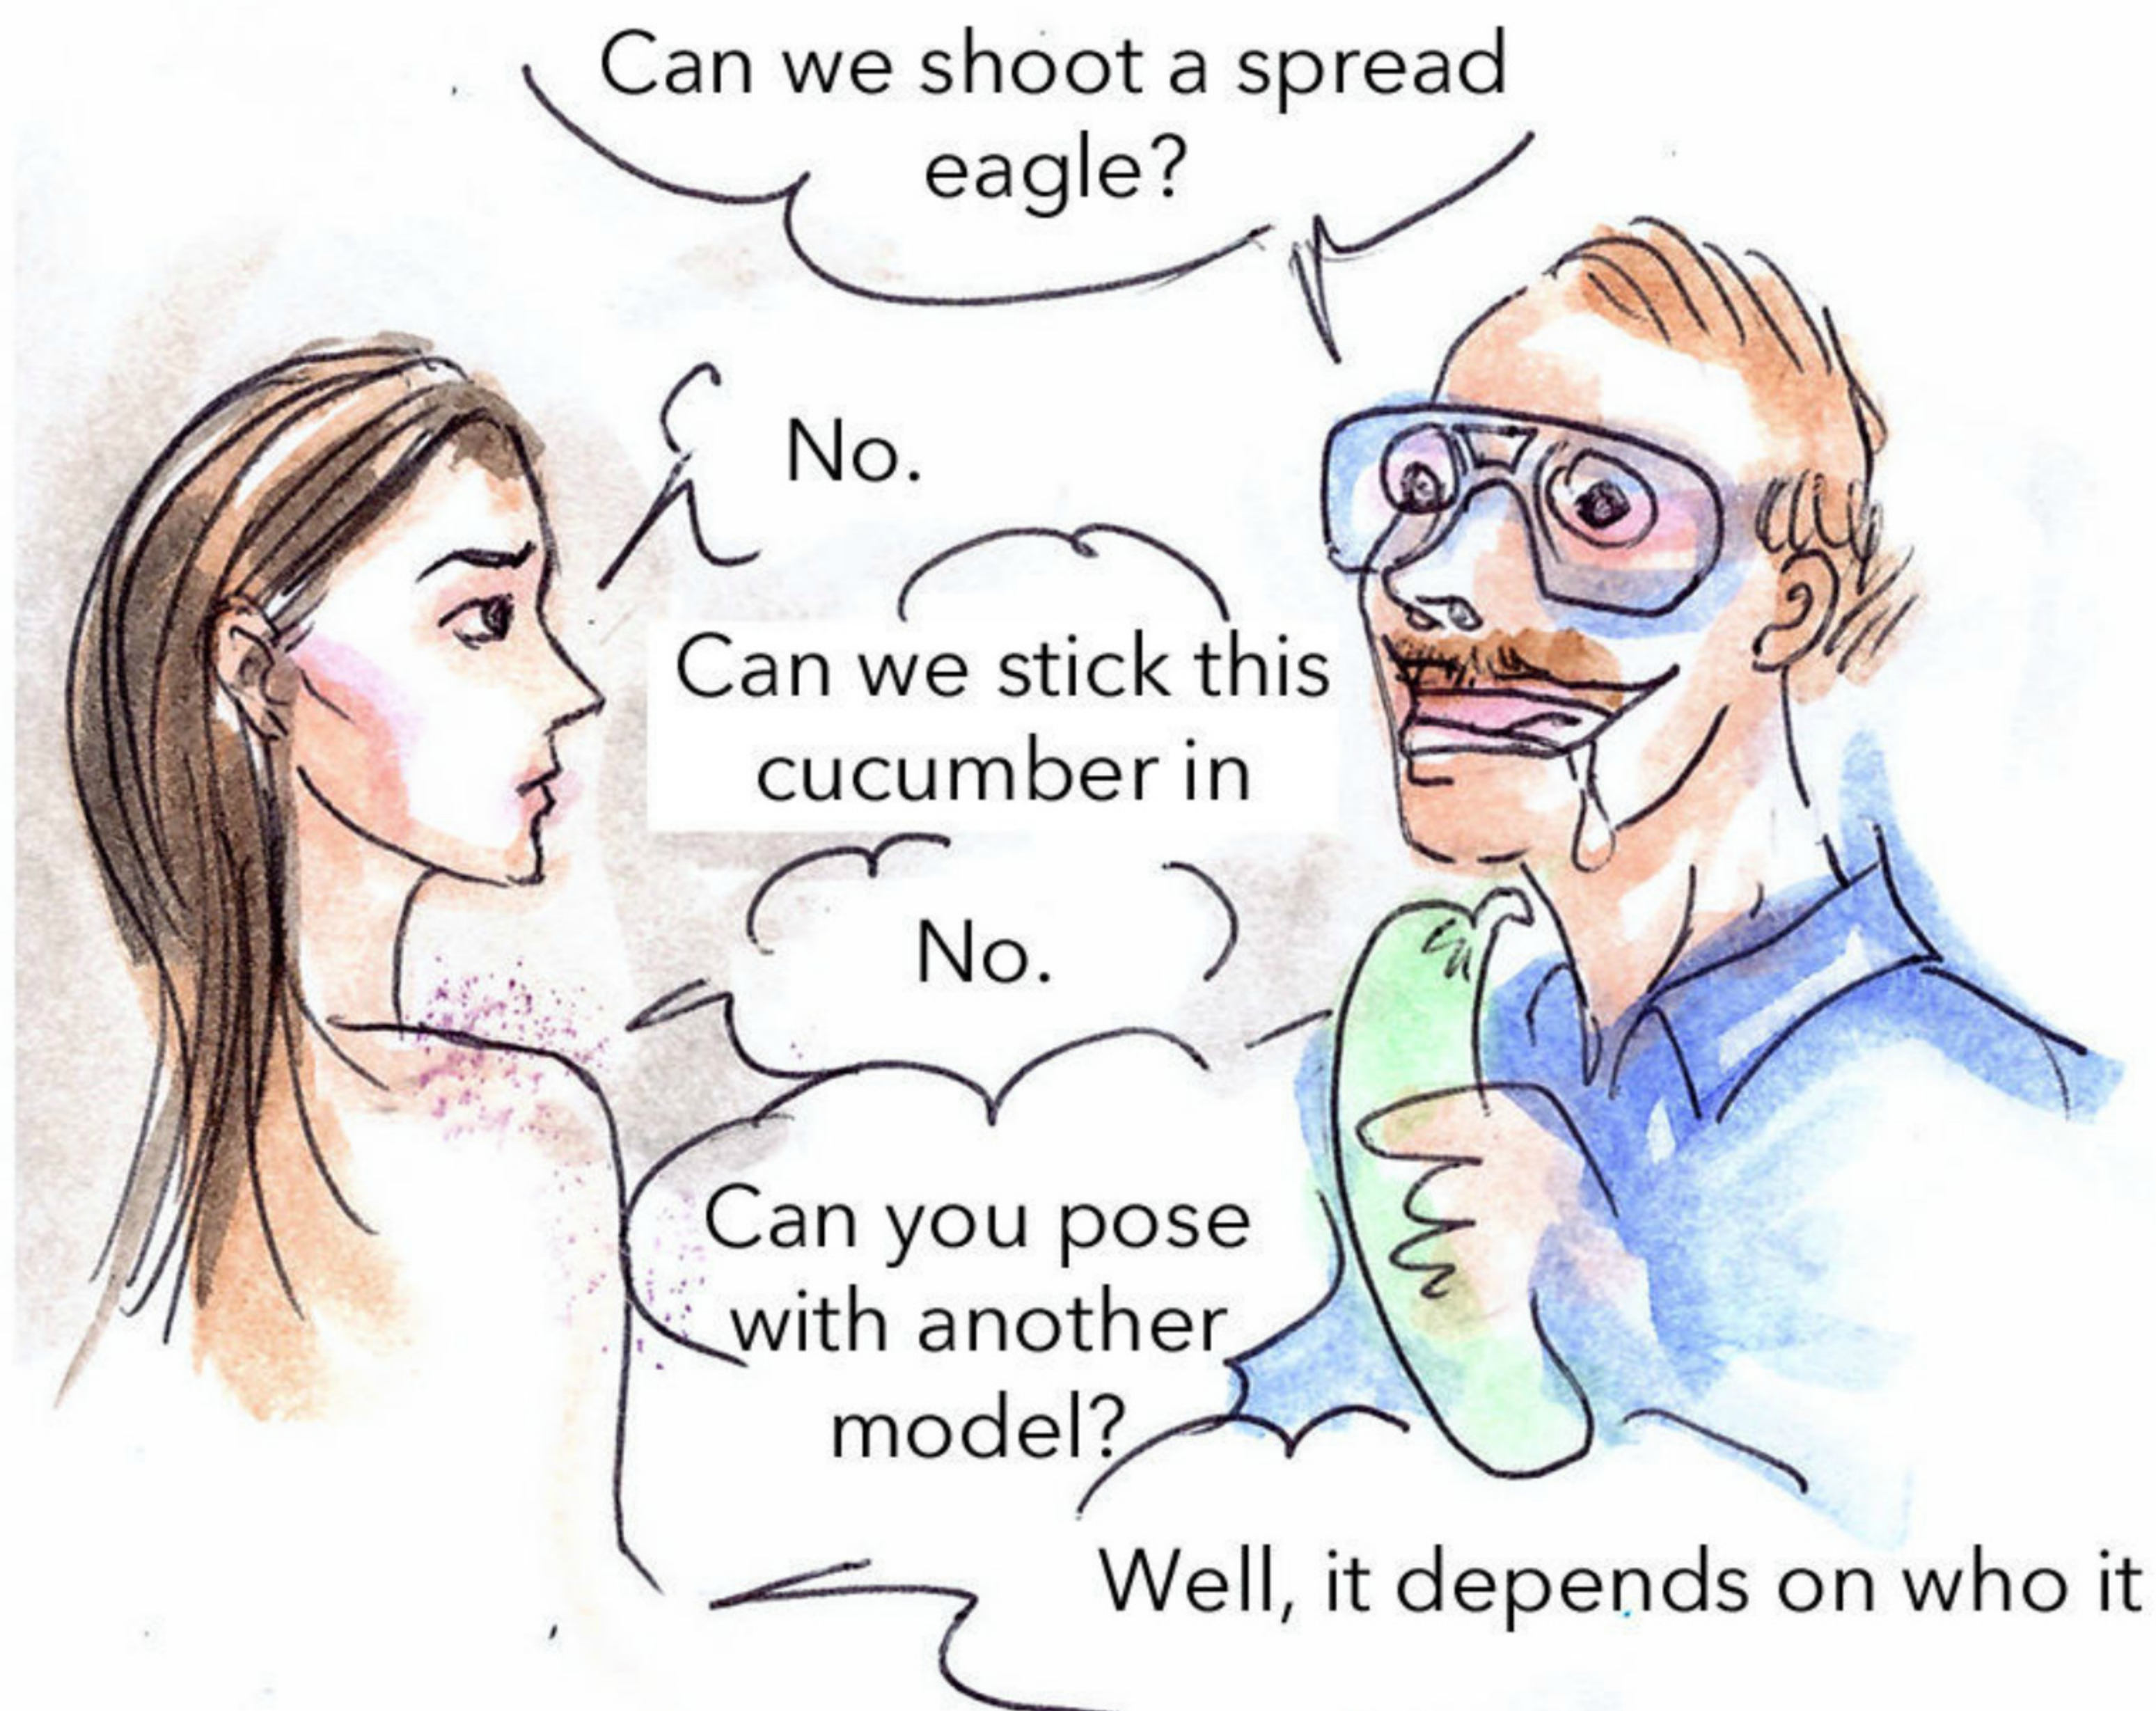

Don't be this photographer.

Sexiest Feature: My back and my lips

I am Astrid Kallsen. I am an independently contracted, German American model based in the Atlanta area. While I live in Athens, Georgia, I model across the United States and through Europe. I got my start modeling artistic nudes for classes and photographers, and have expanded to modeling fashion, lifestyle, boudoir, and fantasy, in particular, mermaid. I have experience modeling on the runway, underwater, in a studio, and out in nature.

I love to help inspire and be part of the photograph as a model and creative partner. I can model full story lines or vague emotional or aesthetic guidelines. Fully developed concepts are as interesting and challenging as more freeform concepts. I strive to encourage the talent in others, and have experience collaborating with photographers, designers, makeup and hair artists and publications to create editorials, portraits and look books. I enjoy working with various artists on building portfolios, promotional content or experimenting with new ideas at any expertise level.
